

ACRES DOWN (& UP!) – TRC Virtual RR10

Start / Finish
Acres Down car
park by gate

Turn left onto
grass track
(downhill)

At post 99 turn
right, then
immediately
left diagonal
dirt track
(uphill)

Straight down
past post's no
96, 97 and 98

You rejoin main
gravel track at
post 96 – straight
back up to finish

As you head back,
cross over track,
then you past a
single post – bear
left and stay left

At bottom turn
left onto main
path, bear left,
going past post
101 and up the
incline

Turn left at post with
missing number
At top turn right
back onto path you
had been on and
head down

At post 99 cross over main
track into woods– then take
first left (50 yds).
Note paths are not main
ones, but still clearly
defined

The start - 3 miles of undulating fun!

**At post 99 turn right, then immediately
left diagonal dirt track (uphill)**

**Turn left onto grass track (downhill)
NB. It is the only grass track (all others are
gravel)**

Turn left at post with missing number

At top turn right back onto path you had been on previously and head down

**At post 99 cross over main track into woods– the path bends right, then take the first left (50 yds).
Note paths are not main ones, but still clearly defined**

**Before this photo, cross over track, then you
past a single post – bear left and stay left**

Take path on left and through woods. You rejoin main gravel track at post 96 (you are nearly there!) – straight back up the main path for sprint finish!
